

CERTIFICATE OF WARRANTY

E.M.S.H - NG Technologies

18 month Limited Product Warranty

E.M.SH Ng-Tech kit warranty covers failure to function properly in normal service for a period of 18 month from the date of purchasing. If product should fail to operate, E.M.SH Ng-Tech will replace or repair the product.

Limitations of Warranties

This warranty not covers loss of use or incidental, special or consequential damages. Damage from non-customary use events such as force majeure, vehicle collisions, exposure to excessive heat, fire, cold, short circuits, improper wiring, voltage surge, water submersion or chemical exposure is not covered under these warranties. In addition damage from improper installation, or damage due to civil disorder, acts of war, or natural disasters are not covered. E.M.SH Ng-Tech recommends installing the kit by professional Electrician.

All E.M.SH Ng-Tech products checked for perfect appearance and correct functionality by our engineers. We recommend checking our products and testing them until full satisfaction. Therefore, E.M.SH Ng-Tech is not responsible for any damage cause from improper installation or wrong use.

Our kits are CE approved and compliance with European directives
